#### 02

#### Passive Income with Matajar Group

Your investment in Matajar Group not only supports business expansion but also generates regular returns. As the group's various ventures, like the Matajar Shopping App and Bizfuel LLC, succeed and profit, investors enjoy a share of this success, translating into a steady passive income stream.

#### 03

#### High Growth Potential

Investing in Matajar Group offers access to the rapidly growing e-commerce market in the UAE. As the group expands and innovates, investors can expect significant appreciation of their investments, benefiting from the potential of online retail and digital services.

#### Diversified Business Portfolio

04

Matajar Group's diverse range of subsidiaries, including the Matajar Shopping App and Bizfuel LLC, provides a buffer against market volatility. This diversification means investors are not reliant on a single market or sector, reducing risk and offering a more stable investment.

#### 05

#### Strategic Market Positioning

Matajar Group has a strong presence in e-commerce and digital marketing, allowing them to capitalize on emerging trends and consumer behaviors. This enables proactive adaptations to market changes, ensuring longterm profitability for investors.

# Know your risk profile

#### Are you a conservative, moderate or aggressive investor?

#### Conservative

Prefers stability and low risk, focusing on secure investments like bonds or fixed deposits, accepting lower returns for peace of mind.

#### Moderate

Balances risk and reward, combining stable investments with some higher-risk options like stocks for potential growth.

#### Aggressive

Seeks high returns, comfortable with significant risk, and primarily invests in volatile markets like stocks or cryptocurrencies.

# **Pick an investment** strategy

#### Set investment goals to reach

Establish clear objectives aligned with your financial aspirations. Whether aiming for short-term gains or long-term wealth accumulation, setting specific goals helps tailor your investment approach, ensuring alignment with Matajar Group's growth trajectory and market opportunities.

for the right goals Choose investments that match your goals. Short-term strategies might involve liquid assets for quick returns, while long-term plans could focus on acquiring equity in Matajar Group, capitalizing on the e-commerce sector's expansion for sustained growth and profitability.

## Matajar Group Investment ROI Model with 40% Annual Return

#### Understanding Your Returns with Matajar Group's Investment Model

1. Initial Investment and Annual ROI:

Example: An investor contributes AED 100,000 to Matajar Group
With an annual ROI of 40%, the expected yearly return is signifi

2. Annual Return Calculation:

Yearly Profit = Investment × Annual ROI
Yearly Profit = AED 100,000 × 40% = AED 40,000

3. Monthly Profit Distribution:

Monthly Profit = Yearly Profit / 12
Monthly Profit = AED 40,000 / 12 ≈ AED 3,333.33
This provides investors with a consistent and attractive monthl

4. Cumulative Returns and Growth:

Over a 5-year period, without additional investments, the cumu AED 200,000 (AED 40,000 yearly × 5 years).
This model offers substantial growth potential, especially for logonal period.
